Charis House is for women and children experiencing a homeless and/or abusive crisis.

The Allen County SPCA has partnered the ASPCA to become a receiving shelter for the transport of dogs to Fort Wayne! This program saves the lives of countless dogs from overpopulated shelters around the country by bringing them to the Allen County SPCA to be adopted. We are so proud to have been approved for this program by the ASPCA, and we look forward to continuing our mission to provide a safe haven for animals as well as providing these animals with permanent, forever homes. Thank you, ASPCA!

We donate to our local causes because we care. We are pet advocates, wetlands advocates and other charities that have touched our hearts and represent things we have experienced in our lives. We believe strongly in all these causes. This is how we give!!
